To the Board of Public Works July 28, 2012

I recently moved from Bristol to Colorado Springs. Before my move I contacted the town about returning my yard waste bucket. It was picked up on 7-5 and I received a check this week for $25 (my deposit). I am writing because as a yard bucket user for many years I thought I might be entitled to a partial refund of the $85 I paid for calendar year 2012. When I decided to retire in June I had no idea my house would sell in a week... expected to be in Bristol much longer. If you decide to refund any part of my payment I am at

I have truly enjoyed my years in Bristol, thank you
