

## MEMORANDUM

Date: March 14, 2019

To: Board of Public Works  
From: Raymond A Rogozinski, P.E.  
Director of Public Works

Re: DPW Pavement Management Program 2019-2020

Please find attached the proposed 2019-2010 pavement management program indicating the roads scheduled to be resurfaced.

Contained within the plan is the list of proposed streets scheduled to be completed this spring (2019). The list is the same as presented at the BPW's February meeting with one revision. The paving of Blakeslee Street has been moved up on the schedule and will be completed this spring and Old Wolcott Road will be delayed to spring of 2020.

The paving program is based on receiving this year's Major Road funding of \$1,900,000. If less funding is provided the program will be adjusted accordingly, however it should also be noted that for the last two years the City has received a grant from the state in the amount of \$2.2-2,400,000. The States website does indicate that the grant is available, if so DPW will adjust based on the increase.

Please feel free to contact me with any questions or concerns at 860-584-6113.
