Dear Sirs,

During the night of March 4, our mailbox was destroyed when the city plowed the street, at 52 Cedar Ridge. The 4 x 4" pole was split apart, the box and newspaper holder broken. I reported the situation to a Bristol City truck passing by on the morning of March 4. He said he would report it. When I still had not heard from anyone, I called the Director of Public Works on March 6. Someone came by later that morning to fix the box well enough so I could receive mail. Thank you very much for that service.

This letter is to request in lieu of reimbursement for the mailbox broken in the storm, that the city just replace the post that was broken, when weather permits. We have purchased a replacement box that will slip over the new post.

Thank you ,

Richard & Carol Janak
