**Subject:** water drainage issues on wilcox street properties

---

Janet,

Thank you for speaking to me yesterday. As discussed, I would like to be placed on the agenda of the Public Works Board meeting to be held on May 16, 2019. The purpose is to explain to the board the considerable increase water drainage issues that many of the property owners are experiencing and possible solutions.

Thank you,  
Richard W. Bellemare, owner  
84 Wilcox Street  
Bristol, Ct 06010
