

Department of Public Works | 860.584.6125

MEMORANDUM

DATE: June 11, 2020

TO: City Building Committee

FROM: David Oakes, Public Works Facilities & Energy Manager

RE: Fire House #2 Roof Replacement - update

Public Works is working with the Purchasing Department to obtain final insurance and worker's compensation documents from AVT Construction. Funding for the project will be available on July 1st, and staff are completing Purchasing Department procedures and due diligence at this time.

The City Council awarded **Contract 2C20-060 Reroof of Firehouse 2** to AVT Construction Inc. in the amount of \$65,440.00 on May 12, 2020. The project is being addressed as a FY20-21 Capital Improvement Project, and is not funded through the City Building Committee funds as a project.
