MEMORANDUM

DATE: June 11, 2020

TO: City Building Committee

FROM: David Oakes, Public Works Facilities & Energy Manager

RE: 11 Bellevue Avenue – Tenant Status

As of June 2, 2020 the former tenant (the Central CT Rehab Medical Group) has moved formal office operations offsite. However, at that time, miscellaneous furniture, office equipment and patient files remained onsite. Corporation Counsel was notified of the matter and made contact with the former tenant's legal counsel to notify them to remove the remaining materials immediately.
