

Tower 1

Monthly Report

April 2021

Summary

Tower 1 responded to 48 incidents during the month of April. Notable calls included 2 building fires and 1 extrication. Crews have been conducting surveys of various buildings. These totaled 18 different occupancies for a duration of 17 hours.

Personnel

Nothing to report.

Apparatus/Equipment

Nothing to report.

Fire Stations/Facilities

The new dishwasher is still out of service pending warranty repair. This has been ongoing for 6 months. Garbage disposal has been replaced under warranty. Just Rite (the overhead door contractor) began replacing the operators on the overhead doors. All of the new ones are damaged cosmetically (dents in covers) but seem to function. Replacement should finish in early May. Public Works has been working to rectify the remaining door problems. There have also been several recurring problems with the thermostats for the HVAC equipment. Again, Public Works is working on repairs with the appropriate contractor.

Miscellaneous

Nothing to report.

Respectfully submitted,

James Plaster, Captain
