29 High Street. It is a parking lot currently but needs a zoning change. From residential to business district. The Mayor on December 12th asked Debbie to write a letter to support the zoning change. It will help us with parking as CV Mason across the Street only needs it for daytime parking. It will offer staff night and weekend parking as well as open up some parking along the street.

Director Lodovico stated there is a letter included regarding Meeting Room Changes from Scott to Debbie. Please review and email your thoughts to Director Lodivico and CC Director Prozzo. A meeting will be scheduled in the future.

d. Strategic Planning Committee
The three year Strategic Plan was released. If any of the Directors have any suggestions where to start they should let the Board know. Otherwise the Library Staff and Supervisors will review the Plan and start with what they can.

Item 6- Ad-Hoc Committee Reports

a. Library Director’s Report

1) November statistics: Circulation statistics were up for the month in all areas. Feedback from the public with regard to automatic renewals continues to be very positive. Three areas of library activity that were down include the Bristol History Room, number of items cataloged, and the Computer Lab. Reasons for a decrease in cataloging was due to a backlog of journals from staff vacancies. The Computer Lab Supervisor had to provide reference coverage, and the Bristol History Room missed some sign-in sheets so these numbers are not completely accurate.

2) Monthly Budget Report: as of January 4, 2019 we have spent:
   • 56.9% @ Main Library
   • 94.6% @ Children’s Library
   • 61.0% @ Manross Library
   • 59.1% @ Goodsell
   Spending is on track as we are at the start of the third quarter.

3) Highlights of library activities:
   • Manross Library was part of the national bomb threat hoax on Thursday, December 13. A staff member received a threatening email and the library was evacuated according to city emergency protocol. The library remained closed and staff were reassigned to the Main Library, along with the Thursday evening book discussion group.
   • The Library had an exceptional month of programming offered in all departments and at both locations. A frequent comment heard at the adult programs was that the holidays can be a very lonely time for older adults but the library provided a wonderful social outlet.
4) Personnel matters: Sarah Ayotte has joined the staff of the Children’s Dept. and Joshua Spiro is the new Assistant Information Services Librarian. Floyd Wyche retired on December 22 and Beth Martin will begin as the Supervisor of Circulation on Monday, January 14. Patrick Palmese, part time custodian at Manross, has accepted a full time position as custodian at City Hall. I will be requesting permission to post his position soon.

5) The Mayor brought up the subject of Amnesty (fine free) at the Library, in particular with the teenage population. I gave her some background and statistics on this but in the meantime I have spoken with Jose Alvarez and we are looking into the matter.

6) Sunday hours began January 6, please spread the word. Once again we are planning both adult and children’s programming to try to attract more business. Last year’s numbers were better that the previous year but there is still room for improvement.

b. City Council Liaison Report
   No report.

c. Friends of the Library
   Friends meeting January 10th at 6:00 p.m. The upcoming Book Sale will be Feb 27th to March 3rd.
