Item 6- Ad-Hoc Committee Reports

a. Library Director’s Report

1) March statistics: We had an increase of 32% in overall circulation the highest percentage was RB Digital and Hoopla online content. Some other areas to note include a decrease in reference services and program attendance. Manross numbers in general are trending downward so I will be taking a closer look for the next quarter to see what might be causing this. Patron visits were down for the month mainly due to low Sunday numbers.

2) Monthly Budget Report: This is the last quarter of the fiscal year. Jen and I will be looking closely at all line items to make sure we come in as close as possible to complete our spending. As of May 1, 2018 we have spent:
   - 82.2% @ Main Library
   - 94.5% @ Children’s Library
   - 81.7% @ Manross Library
   - 91.2% @ Goodsell Bequest

At the Board of Finance Budget adoption meeting Marie O’Brien, library liaison, made a motion to add the “main library LED lighting conversion project” to the capital budget. It was proposed at an amount of $333,970, which would be funded by bonding. Director of PW, Ray Rogzinski, said the project would have a payback period of approximately four years. It was unanimously approved.

The citywide budget was also approved and the library had no cuts, in fact there was a substantial increase in the wages portion of the library budget due to contract negotiations and job upgrades. Final approval will be decided at a joint meeting of the Finance Board and City Council on Monday, May 20.
3) Summer Program plans have been finalized at both the Main and Manross Libraries. We are debuting a new software at the Main Library provided by the State of CT for free. The Friends of the Library are once again generously providing all departments with funding for prizes. There is a wide variety of activities for all ages (see handouts). We invite the Library Board members to attend activities this summer and we look forward to your support.
