

Mayor's Task Force on AIDS

Thursday June 25, 2020 8:30 a.m. - Virtual meeting

1. Moment of Silence: Observed
2. Introductions: Not necessary this meeting.
3. Membership Update – Vote for new Chair: Alice had said she will take over if there is nobody else willing to take over for the committee – we as a group will need to vote on her membership. There is no other interest in chairing the committee.

This is the last meeting for Valerie; she will let the Mayor's office know we do not have a permanent replacement. Alice Ferguson will be the temporary chair person, for a period of 60 days. Laura made a motion, Seconded by Delita – Voted – so moved.

Marge Rivera has resubmitted her resume to join the task force once again.

Hedy will reach out to the Town Clerks office to be sworn in.

4. 2020 Health Forum Event: Discussion about having this event – waiting until next year versus holding it virtually.
5. Budget: We have ordered masks; recycle bags, and pens for future upcoming events. Aids ribbon and the Task Force logo on the other side.
6. Social Media/Marketing: We have created a FB page, we will need more content to this. Please contribute any articles or pictures that you may have from past events. The more content we have the more traction we will have.

Send information about COVID testing availability to place on the FB page.

7. Upcoming Events:
 - Rockwell Park 2020 – we are waiting to hear if this will happen, we have expressed interest in participating if it occurs

- Cambridge park 2020
 - Boys and Girls Club 2020
8. July meeting has traditionally been a planning meeting; could we meet at a park during lunch and have a socially distanced planning event at lunch time? July 23 is the next scheduled meeting and will be done virtually.
 9. Thank you Valerie for your time that you have served on the committee and as the chair person, we wish you the very best in your future.
 10. Adjourned at 9:09 am.
