

# Yard Waste Collection:

## WHAT IS YARD WASTE COLLECTION?

The City of Bristol offers a curbside yard waste collection service for an annual fee, currently **\$90.00** for the season. Subscribers receive a 95 gallon green yard waste container, which the City will deliver when your paid application is received.

Yard Waste Collection is weekly (usually two days after your regular rubbish collection day) from mid-April through mid-November. Paid subscribers will receive a sticker that must be adhered to the barrel.

***Barrels that do not have a sticker will not be emptied.***

1. The yard waste container(s) can be used for grass, leaves, woodchips, vegetative waste and small branches no thicker than 1 inch and no longer than 12 inches.  
*No sand, rocks, dirt, or sod allowed.*
2. Your yard waste container(s) should be placed curbside by 6:00 AM on your designated collection day.
3. Place the yard waste barrel with the front facing the street and the handle side facing the property.

To ensure appropriate access for collection, yard waste barrels should be separated by a minimum of five (5') feet from other barrels, parked vehicles, mail boxes, utility poles and other objects.
