REQUEST FOR PROPOSALS CITY OF BRISTOL, CONNECTICUT 06010

RFP 2013-047 Reuse of Memorial Boulevard School

1. Place and Time of Opening

Proposals will be received at the Purchasing Office, 111 North Main Street, Bristol, Connecticut, 06010 until **1:00 pm, February 1, 2013**. Proposals received after this time will not be considered. Proposals may be withdrawn 90 days after opening if no award has been made.

2. Background

The building currently known as Memorial Boulevard Middle School was constructed in 1921; it has been in continuous operation as a school facility. The parcel is identified in the Assessor's Office as Parcel ID 0243060, and is shown on Map 30 Lot 114. The Bristol Board of Education has completed construction of other school facilities and the City of Bristol has accepted the property as part of its general operation effective October 1, 2012. There are no plans to occupy the building with City departments or functions at this time.

The building consists of approximately 70,000 square feet over five levels. The building includes an auditorium/theater, with approximate seating capacity of 900; the City has expressed interest in its continuous operation for community activities. A feasibility study was performed in 2008 for a major renovation of the theater, and is available for review upon request.

Heating for the building is supplied via heating fuel #2; natural gas service is connected to the building for kitchen appliances and emergency generator. Air conditioning exists in the theater and in the media center. Basic information on past utility consumption is included as Attachment A.

The building is contained within 7.4 acres adjacent to the Memorial Boulevard Park. The easternmost part of the acreage accommodates athletic field space, and the City has expressed an interest in continued use of the athletic fields by the City and/or Board of Education.

Further information on the building is available within a space needs analysis performed in 2011; the relevant information from said report is accessible on the City's web site via the following link: http://www.bristolct.gov/DocumentCenter/Home/View/276

3. Bristol Demographics

Located in Hartford County approximately 14 miles southwest of Hartford, the State's capital city, Bristol is a residential, manufacturing and commercial community of approximately 27 square miles and 61,000 residents. Access to Route 84 within the interstate highway system is made via routes 72 and 229. The City is within 2 and a-half hours by automobile of Boston, New York City and major New England ski areas. The community has a number of high quality, successful industrial and office areas including the 229 Technology and Halcyon business parks.

The ESPN Broadcast Headquarters is located in Bristol approximately 2 miles from the Site. ESPN employs more than 3,000 people in Bristol. Bristol is known throughout the New England region for being home to the nation's oldest amusement park, Lake Compounce and the Giamatti Little League Center which annually hosts the New England Regional Tournament. The City is home to several museums including the Watch and Clock Museum, the ImagiNation children's museum and the Carousel Museum of New England. These attractions, combined with its manufacturing base, historic character, open space and recreation opportunities, provide a good quality of life for residents and businesses.

The City of Bristol has partnered with Renaissance Downtowns, LLC for development of a 17-acre site currently known as Depot Square. The Depot Square development is within a half-mile from Memorial Boulevard School. More information on the development of Depot Square is available via the following links:

http://www.rdatbristol.com/

3. Intent

The City of Bristol intends to sell or lease said property owned by the City. The City Council has identified key considerations for any potential reuse of the building, as follows:

- That the property is capable of supporting multiple uses to maintain continual active presence in the building:
- that any proposal shall provide for regular or continued use of the auditorium/theater;
- that the City encourages development of small business growth, and as such would consider public/private partnerships that would provide an environment encouraging such growth;
- that any subsequent use shall not have negative impact on the architectural integrity, and shall not have negative impact on the architectural appearance;
- that the City is not actively interested in conversion of the property to a hotel or to a use that
 exclusively limits the property to residential housing.

Due to the proximity of Memorial Boulevard Park, the City has an active interest in ensuring that the property shall not diminish the bucolic appearance of the area. If warranted within the context of your proposal, the City would continue to support use of open spaces for the purpose of active recreation, and that the City may consider separation of open athletic fields from the property, if such separation were beneficial to both the City and the proposer.

The property, being zoned as R-40, is intended to be reused in a manner appropriate to such area. Please note that any and all property outlined herein is subject to zoning regulations as controlled and administered by the City of Bristol. It should be assumed that planned use of the property will require change in zoning from R-40 to a classification suitable for the proposed use; applications for zoning revisions would be the responsibility of the awarded entity. Zoning classifications and regulations are available via the following link:

http://www.bristolct.gov/DocumentCenter/View/479

4. Site Visits

The City will conduct two pre-proposal informational site visits on the following dates:

December 20, 2012 at 2:00pm

January 8, 2013 at 3:00pm

It is not mandatory that interested parties attend both or either of these meetings; however, access to the buildings outside of these times may be limited.

5. Directions for Written Submission

- A. Proposer will explain use of property including date(s) for development, costs and estimated assessed value of any improvements. Drawings, maps, and plans should be included where practical. A presentation of any proposal by the proposer, before the Real Estate Committee, Land Use Board, and/or the City Council, may be required.
- B. Proposer will explain any distinctive amenities.
- C. Proposer will provide price and conditions for any subsequent agreement.
- D. Proposer will provide expected schedule for implementation of subsequent reuse.
- E. Proposer will address parking in context of proposed use.
- F. Proposer will address the intended use the theater, including proposed renovations and/or management of theater operations (as may be relevant), and financing for renovations and/or management of theater operations (as may be relevant).

6. Preparation and Submission of Proposals

The following shall be considered in preparation and submission of a proposal:

- A. All proposals shall be signed in ink by the Bidder's duly authorized principal.
- B. Requests for extensions of the opening time and date will not be granted.
- C. Proposers mailing their proposals should allow for normal time to ensure receipt of their proposals by the Bristol Purchasing Agent prior to the time and date fixed for opening of proposals.
- D. Proposals or unsolicited amendments to proposals received by the Bristol Purchasing Agent after the acceptance deadline will not be considered. Proposals will be publicly opened and logged in at the time and date specified above.
- E. Each proposer shall submit one original and four (4) copies of its proposals to the Bristol Purchasing Agent in a sealed envelope. The envelope shall clearly mark the RFP number as a reference.
- F. Proposals shall include, as a separate attachment, information relating to the planned use of the property as requested in Section 4A of this document, as well as any special conditions contained in your proposal.

7. Addendum

If it becomes necessary to revise any part of this request or if additional data is necessary to enable interpretation of provisions of this request, revisions will be provided to all prospective proposers who receive this request for proposals.

8. Miscellaneous

The contents of the proposal submitted by the selected proposer and this RFP will become a part of any contract awarded. Reuse of property owned by the City of Bristol is subject to acceptance by the City Council. All materials submitted in response to this RFP become the property of the City of Bristol, and will be deemed "public records" within the meaning of the Connecticut Freedom of Information Act.

9. Award

The City may reject any or all proposals for such reason as it may deem proper. In acceptance of proposals, the City will be guided by consideration of the interests of the City. The City also reserves the right to negotiate further with one or more of the purchasers as to any features of their proposals and to accept modifications of the work and price when such action will be in the best interests of the City. Review of proposals may include assessment of proposer's financial capacity, and status of current and/or past taxes due.

In the event that the property is sold, and within five (5) years of sale, the new owner intends to sell the property, then the City of Bristol shall have opportunity to buy back the property. The purchase price for such transaction, if pursued by the City, would be equivalent to the original sale price between the City and the new owner, plus cost reimbursement for improvements made to the building.
