

**Engine 3
December
Monthly Report
2020**

Summary

December saw us responding to 36 calls for service including a structure fire. There have been a couple covid issues in house this month resulting in several quarantines. The constant cleaning continues in an effort to combat the virus.

Personnel

Nothing this month.

Apparatus/Equipment

The Equipment tech is looking into an issue with the auto greasing system.

Fire Stations/Facilities

Miscellaneous

Nothing this month.

Respectfully submitted,
David Butkus, Captain
