

**Engine 3
January
Monthly Report
2021**

Summary

The month of January saw us respond to 50 calls for service, including 5 structure fires and 1 extrication from machinery. Of the 5 fires, one was a call to assist New Britain FD at the scene of a fire in their city. There have been no Covid-19 related issues in house this month, and constant cleaning continues in an effort to combat the virus.

Personnel

Nothing this month.

Apparatus/Equipment

Engine 3 was sent out for service to repair/improve the heating system. It is still not working well.

Fire Stations/Facilities

New key card access system for the building was installed and operational.

Miscellaneous

Nothing this month.

Respectfully Submitted,

Andrew Mercieri, Acting Captain
