Re: Property at lot 263-2 Minor Street

Dear Mayor;

Please be advised that my office represents Christopher Armstrong regarding the development of the above referenced vacant parcel of land. Pursuant to the proposed site plan we are requesting a sidewalk waiver for this site as it is located in an industrial zone and there are not any sidewalks currently existing on this street. Therefore, pursuant to 21-124 of the charter, we are requesting such a waiver recognizing that a sidewalk caveat will be a condition of the approval.

Please place this matter on your next agenda and refer it to the proper departments for recommendations.

sincerely yours,

James Ziogas, Jr.
