

Engine Co.5  
Monthly Report  
May 2021

**Summary**

Engine Company 5 responded to 62 calls for service for the month of May. Formal surveys were conducted this month in commercial properties and apartment complexes. Also several exterior walk thru were completed. Street familiarization and target areas of our district were also completed. A problem was found with some of the Knox boxes and private key boxes as surveys were done is that the building occupants changed the buildings keys but did not notify the Fire Department that the keys in the box no longer work. FMO was notified.

**Personnel**

Station 5 has one vacancy on the "A" shift all other spots are filled. Firefighter Yudelson has been assigned here on "B" shift this month as part of his cross training.

**Apparatus/Equipment**

All equipment is in working order this month except for the air horn on Engine 5 this still works erratically.

**Fire Stations/Facilities**

All equipment on the house and grounds is in working order.

**Miscellaneous**

Spring cleaning and annual hose testing has been completed.
