RE: DPW 2021 Fall Paving Program

---

Please find attached the Departments proposed 2021 fall pavement/ roadway reclamation program. The information has been forwarded to utility companies (water, sewer, gas, and electric) to coordinate construction within the roadways.

DPW is coordinating with Purchasing to issue a bid for roadway reclamation. In addition, as indicated DPW is proposing to mill and pave North Main (Center St north to the cross walk Pure Foods). As part repaving North Main Street DPW is issuing a bid to re-stamp/paint the center North Main St island. DPW is not proposing to pave to CT Route 6 due to the proposed development at the corner of North Main and CT Route 6.

Please feel free to contact me with any questions at 860-584-6113.
