

Tower 1 Monthly Report June 2021

Summary

Tower 1 responded to 57 incidents during the month of June. Notable calls included two building fires, one rope rescue, three gas leaks, and one elevator rescue. Crews have been conducting surveys of various buildings. These totaled 18 different occupancies for a duration of 14 hours.

Personnel

Nothing to report.

Apparatus/Equipment

The damage to Tower 1 from last month's accident has not been repaired yet. We are waiting on the repair vendor to get the required parts.

Fire Stations/Facilities

The new dishwasher is back in service. It was repaired one more time by the vendor. The screens and blinds have been installed on the new windows, however there are some quality issues with their installation. Work continues on the monument at HQ. Much of the concrete and stone work has been completed.

Miscellaneous

Nothing to report.

Respectfully submitted,

James Plaster, Captain
