

Engine Co.5
Monthly Report
June 2021

Summary

Engine Company 5 responded to 44 calls for service for the month of June. Formal surveys were conducted this month in commercial properties and apartment complexes. Also several exterior walk thru were completed. Street familiarization and target areas of our district were also completed.

Personnel

Station 5 has one vacancy on the "A" shift all other spots are filled. Firefighter Cianci has been assigned here on "B" shift this month as part of his cross training.

Apparatus/Equipment

As we close out the month Engine 5 is out of service for a broken air conditioner and air horn, Engine 7 is being used.

Fire Stations/Facilities

All equipment on the house and grounds is in working order. An air conditioner tech has been here several times this month to try and determine the cause of the air conditioners struggle to keep the building cool and condensation free.
