Reason for request:

1. Carry forward/transfer to fund purchase of a new engineering plotter to replace DPW existing pen type plotter. Due to its age parts for the existing plotter are difficult to obtain and computer compatibility issues exist with the plotter's drivers. The new plotter will replace the existing plotter and provide back up to DPW Engineering KIP printer. DPW request \$9,000.
2. Carry forward \$12,000 to fund installation of a Fleet vehicle maintenance centralized grease gun system. Item budgeted in May 2020. DPW is currently preparing specification for bidding.
3. Carry forward/transfer to purchase lift gates for three DPW pickup trucks. Replacing standard tail gates with lift gates will eliminate the need for employees to lift heavy equipment into the trucks and reduce the risk of injury. DPW request \$18,000.
4. Carry forward/transfer to fund replacement of DPW Liquid Magnesium tanks used for De-icing. The current tanks are single wall tanks and do not confirm to current environmental standards. DPW request \$40,000.

Reason for request: Carryovers to bring Trust Funds into new fiscal year. The board approved use of Goodsell funds for purchase of reference materials, use of Bristol Library and Manross Trust funds towards future author luncheons and technology needs, in addition to the Manross Trust funds for purchase of children's and nature books. The reason for carryover is the pandemic has made it difficult to fulfill all approved purchases including difficulty planning the author luncheon.

Board of Finance Agenda Request Form

**Reason for request:**

1. Request to carry over the unspent trust fund overages totaling \$215,016 to the miscellaneous trust account for use throughout the year.
  
2. Request to carry over \$24,359 from Youth Services 0011031-531120. This is the balance of unspent Project Aware funds. These funds come from the State of CT Youth Services Bureau and are used annually for youth service programs and scholarships for Bristol children in need. With the schools closed due to COVID-19, the funds were not able to be fully spent this year. We are requesting to carry this balance over into the next year to provide us with additional funds to be utilized for scholarships/program enhancements for at risk families in need. Due to COVID-19 impact on families we believe these funds will be needed now more than ever.
