Of overall newly enrolled students in Bristol during the month of **August, 2020, 5** of our students came to Bristol Schools already identified as eligible for special education programming and services.

Since **April of 2020, 2** newly registered students came to us already placed in Out of District Special Education School Programs.

As of **August 28**, we have **117** of our **1655** students requiring Out of District Placements at special education school programs and **59** students requiring special education programming services at other Public Out of District Schools such as Magnet Schools.

We are appreciative of your continued support as we provide for the educational needs of our students with disabilities.
