

Following is the Census tract map noting areas of the City. Following the Census tract map is a chart that summarizes the average property value change for all property types within the 2021 and 2022 grand lists. This chart also notes the average maximum property value for each property type in each grand list.

Row Labels	Average of % value change	Average of \$ Appraise Change	Max of 2022	
			Total Appraised Parcel Value	Max of 2021 Total Appraise Value
