MEMORANDUM

TO: Roger Rousseau, Jodi McGrane

FROM: Lynn Boisvert, Director of Finance

DATE: January 12, 2023

SUBJECT: Bid Waiver Cravings Eatery

The Board of Education would like to request a bid waiver for the 21st Century grant-funded \$40,000 purchase of meals for our students who are attending the after-school educational programs at Ivy Drive, Hubbell, and South Side Schools, from Cravings Eatery a local Bristol Caterer. This program was previously serviced by Bristol Tech who were unable to provide the services within the necessary cost parameters of \$3.00 – \$5:00 per meal this school year.

Funding for this program came in late and the program started immediately.

Thank you for your consideration.
