Standard Bid and Contract Terms and Conditions

Page 1 of 5

All Invitations For Bids issued by the City of Bristol ("City") will bind Bidders to the terms and conditions listed below, unless specified otherwise in any individual Invitation For Bids.

The contractor agrees to comply with the statutes and regulations as they exist on the date of this contract and as they may be adopted or amended from time to time during the term of this contract and any amendments thereto.

Section I. Submission of Bids

1. Bids must be submitted on forms supplied by the City Purchasing Department. Telephone or facsimile bids will not be accepted in response to an Invitation For Bids.
2. Bidders shall bear any and all costs associated with response to this invitation to bid, including the costs for any presentation and/or demonstrations (if applicable).
3. The time and date bids are to be opened is given in each bid issued. Bids received after the specified time and date of bid opening given in each bid proposal shall not be considered. Each Invitation For Bids will designate acceptable methodology for delivery of a bid proposal, which may permit submission of a bid via digital format (e.g. email); the delivery format identified in the Invitation For Bids shall govern. If mailed or physically delivered bid responses are required, bid envelopes shall clearly indicate the bid number as well as the date and time of the opening of the bid. The name and address of the Bidder shall appear in the upper left hand corner of the envelope.
4. If it becomes necessary to revise any part of this request or if additional data is necessary to enable interpretation of provisions of this document, revisions or addenda will be provided to all prospective firms who receive this document; such revisions or addenda will additionally be posted on the following website:
<http://www.bristolct.gov/bids>
5. This document may include an acknowledgement page; this page is to be returned to the Purchasing Department as soon as practical, to ensure proper notification of changes to the published documents. The City of Bristol does not assume responsibility for any vendor that does not receive revisions or addenda, where the vendor has not acknowledged receipt of any portion thereof.
6. Incomplete bid forms may result in the rejection of the bid. Amendments to bids received by the City after the time specified for opening of bids, shall not be considered. Bids shall be computer prepared, typewritten or handwritten in ink. All bids shall be signed by a person duly authorized to sign bids on behalf of the bidder. Unsigned bids shall be rejected. Errors, alterations or corrections on both the original and copy of the proposal schedule to be returned must be initialed by the person signing the bid proposal or their authorized designee. In the event an authorized designee initials the correction, there must be written authorization from the person signing the bid proposal to the person initialing the erasure, alterations, or correction. Failure to do so shall result in rejection of bid for those items erased, altered or corrected and not initialed.
7. Conditional bids are subject to rejection in whole or in part. A conditional bid is defined as one which limits, modifies, expands or supplements any of the terms and conditions and/or specifications of the invitation for bids.
8. Alternate bids will not be considered, unless specifically authorized in the invitation to bid. An alternate bid is defined as one which is submitted in addition to the bidder's primary response to the invitation for bids.
9. Prices should be extended in decimal, not fraction, to be net, and shall include transportation and delivery charges fully prepaid by the Contractor to the destination specified in the bid (FOB Destination).

10. Pursuant to Chapter 219 Section 12-412 of the Connecticut General Statutes, municipalities are exempt from the payment of excise, transportation and sales taxes imposed by the Federal Government and/or the State. Such taxes must not be included in bid prices.
11. By its submission the Bidder represents that the bid is not made in connection with any other Bidder submitting a bid for the same commodity or commodities and is in all respects fair and without collusion or fraud.
12. All bids will be opened and read publicly and upon award are subject to public inspection, subject to the provisions of Section 1-210 of the Connecticut General Statutes (Freedom of Information). Copies of information resulting from any bid opening are generally not available until a contract has been formally awarded.

Section II. Guaranty or Surety

13. The City requires that any awarded contractor providing materials, equipment or services to the City, must provide to the City a certificate of insurance (Acord or other approved format) naming the City of Bristol as additional insured on a primary, non-contributing basis, for the following:
 - **General Liability insurance** (including Completed Operations coverage) from all contractors doing business with the City, in the amounts of \$1,000,000 (combined single limit) Bodily Injury-Property Damage Coverage per occurrence, and \$2,000,000 aggregate coverage;
 - Where the use of a vehicle is used in the performance of this contract, **Automobile Liability insurance** in the amount of \$1,000,000, with Property Damage and Bodily Injury coverage;
14. Additionally, for any contract for which labor is performed within the State of Connecticut, evidence of workers compensation as defined in the Connecticut General Statutes must be provided.
15. Said insurance shall be provided at the sole expense of the contractor with an insurance company which is licensed to do business in the State of Connecticut. Any subcontractor to a contracted firm shall be likewise covered, and shall furnish certificates of coverage acceptable to the City before starting work.
16. In the event that bid and/or performance bonds are specifically required within the specifications, said bonds must meet the following requirements:

Signing Authority:

 - Corporation** - must be signed by an official of the corporation above their official title and the corporate seal must be affixed over the signature;
 - Firm or Partnership** - must be signed by all the partners and indicate they are "doing business as";
 - Individual** - must be signed by the owner and indicated as "Owner".

Surety Requirements

The surety company executing the bond or countersigning must be licensed in Connecticut, and the bond must be signed by an official of the surety company with the corporate seal affixed over their signature. Signatures of two witnesses for both the principal and the surety must appear on the bond. Power of attorney for the official signing the bond for the surety company must be submitted with the bond.

Section III. Samples

17. Accepted bid samples do not supersede specifications for quality unless sample is superior in quality. All deliveries shall have at least the same quality as the accepted bid sample. Samples are furnished free of charge. Samples may be held for comparison with deliveries.

Section IV. Award Considerations

18. It is the intent of the City of Bristol to make award to the lowest responsive and responsible qualified bidder (reference C.G.S 4a-59. The quality of the articles to be supplied, their conformity with the specifications, their suitability to the requirements of the City, and delivery terms will be taken into consideration in making award.
19. In the event of a discrepancy between the unit price and the extension, the unit price shall govern.
20. Cash discounts may be offered by bidder for prompt payment of invoices. Such discount will not be taken into consideration in determining the low bidder, but will be taken into consideration in awarding tie bids.
21. Any contract resulting from this solicitation shall be governed by the laws of the State of Connecticut.
22. Award will be based on quality of the articles or services to be supplied, their conformance with specifications, delivery terms, price, administrative costs, past performance, and financial responsibility. The Purchasing Department may correct inaccurate awards resulting from clerical or administrative errors.
23. Review of proposals may include assessment of proposer's financial capacity, and status of current and/or past taxes or liens due.
24. The City of Bristol reserves the right to accept or reject any and all bid responses, in whole or in part, to waive technical defects, irregularities and omissions if, in its judgement, the best interests of the City will be served. Determination of the best interests of the City shall include consideration of active or pending civil litigation between the City and any firm (or its subcontractor or supplier) submitting a bid to the City.
25. The Purchasing Department may reject any bidder in default of any prior contract or guilty of misrepresentation or any bidder with a member of its firm in default or guilty of misrepresentation.
26. In the event that a local business submits a bid to the City that is within 4% of the lowest qualified bidder and is considered to be in compliance with the requirements set forth in the bid, the local business shall be allowed the opportunity to accept the award of the contract at the amount of the lower bid. Such practice shall apply to all City bids for all City departments, with the following exceptions:
 1. Contracts exceeding \$1,000,000.00.
 2. Professional services, awarded on subjective and objective criteria in addition to cost.
 3. Contracts using state, federal or other funds that have governing regulations disallowing such practice.
 4. Contracts awarded on behalf of the Bristol Water Department as a separate enterprise fund.

Section V. Contract Considerations

27. Award of a contract is not an order to ship; materials may only be shipped upon receipt of a purchase order as issued by the Purchasing Agent.
28. Please note that any contract executed by the City of Bristol or the Board of Education is subject to the appropriation of funds on an annual basis.
29. The Contractor shall not assign or otherwise dispose of their contract or their right, title or interest, or their power to execute such contract to any other person, firm or corporation without the prior written consent of the Purchasing Department.

30. Bidders have ten days after notice of award to refuse acceptance of the award; after ten days, the award will be considered binding on the Contractor. If the Contractor refuses to accept the award within the ten day period, the award will be made to the next lowest responsible qualified bidder.
31. Failure of a Contractor to deliver commodities or perform services as specified will constitute authority to purchase said commodities or services on the open market. Contractor agrees to promptly reimburse the City for excess cost of these purchases. The purchases will be deducted from the contracted quantities.
32. **The Contractor**, in contracting for goods, services, materials, labor and the like with the City of Bristol and its respective officers, agents and servants, **does hereby agree to indemnify, defend and save harmless** from and against any and all claims, damages, losses, litigation expenses, counsel fees and compensation arising out of any injuries (including death) sustained by, or alleged to have been sustained by, the servants, employees or agents of **the City of Bristol and its respective officers, agents and servants**, or of the bidder or of any participant or spectator, and from injuries including death) sustained by, or alleged to have been sustained by, the public or any persons on or near the site or on any other person or damage to property, real or personal, including property of the City of Bristol and their respective officers, agents, and servants, caused in whole or in part by the acts or omission of the Bidder or any participant or spectator or anyone directly or indirectly employed or working for the bidder while engaged in the activity in the City of Bristol.

The City, as a sovereign government, cannot indemnify businesses or individuals.

33. Notwithstanding any provision or language in this contract to the contrary, the purchasing agent may terminate this contract whenever he/she determines in his/her sole discretion that such termination is in the best interests of the City. Any such termination shall be effected by delivery to the Contractor of a written notice of termination. The notice of termination shall be sent by registered mail to the Contractor address furnished to the City for purposes of correspondence or by hand delivery. Upon receipt of such notice, the Contractor shall both immediately discontinue all services affected (unless the notice directs otherwise) and deliver to the City all data, drawings, specifications, reports, estimates, summaries, and such other information and materials as may have been accumulated by the Contractor in performing his duties under this contract, whether completed or in progress. All such documents, information, and materials shall become the property of the City. In the event of such termination, the Contractor shall be entitled to reasonable compensation as determined by the Office of Corporation Counsel for the City of Bristol, however, no compensation for lost profits shall be allowed.
34. The individual signing this submittal hereby declares that no person or persons other than members of his/her own organization are interested in this Project or in the contract proposed to be taken; that it is made without any connection with any other person or persons making a proposal for the same work and is in all respects fair and without collusion or fraud; that no person acting for or employed by the City of Bristol is directly or indirectly interested therein, or in the supplies or works to which it relates or will receive any part of the profit or any commission therefrom in any manner which is unethical or contrary to the best interests of the City of Bristol.
35. The Contractor shall not be liable for losses or delays in the fulfillment of the terms of the contract due to wars, acts of public enemies, strikes, fires, floods, acts of God or any other acts not within the control of or reasonably prevented by the Contractor. The Contractor will give written notice of the cause and probable duration of any such delay.
36. Contractors may not reference sales to the City for advertising and promotional purposes without the prior specific approval of the Purchasing Department.

Section VI. Delivery

37. All products and equipment delivered must be new, and shall include any and all manufacturer warranties, unless otherwise stated in the bid specifications.

38. Delivery will be onto the specified City loading docks (or other similar receiving locations) by the Contractor unless otherwise stated in the bid specifications.
39. All prices shall include transportation and delivery charges fully prepaid by the Contractor to the destination specified in the bid (FOB Destination).

Section VII. Payment Terms

40. Payment terms are net 30 days after receipt of goods or properly executed invoice, whichever is later, unless otherwise specified. A contractor may quote payment discount terms which may be considered in making the award. The discount period will be computed from the date delivery is accepted at destination, or from date correct invoice is received by the consignee, whichever is later.
41. Charges against a Contractor shall be deducted from current obligations. In the event that monies are due to the City, money paid to the City by the Contractor shall be made payable to the Treasurer, City of Bristol.

Section VIII. Rights

42. Any and all data collected by the contractor relative to either the performance of services or delivery of materials shall remain the sole property of the City of Bristol. Such data includes historic usage of materials and services as collected by the contractor, as it relates to Bristol purchasing activity. The City has sole and exclusive right and title to all printed material produced for the City, whether acceptable or unacceptable, and the contractor shall not copyright any printed matter produced under the contract.
