Good afternoon, the issue of food purchases has come up again; I don't have severe indigestion with this myself, assuming that this has been a running practice for BOE (only on a card that we didn't see). This seems like a likely topic to be addressed by the Purchasing Committee, if you agree.

Hi Roger

Please check to ensure that all BOE P-Cards have the ability to purchase food. Michelle tried to use her card for the Climate Camp today at Bagels Plus and Dunkin Donuts but was denied.

We frequently have the need to place orders for meals for our staff that are here for the entire day in training.

Thanks

Lynn
