

Energy Efficiency Fund Grant Guidelines

PROGRAM DESCRIPTION

The City of Bristol Energy Commission assists existing and new businesses along with residents with projects designed to offset their operational energy costs with clean energy solutions. These grants are capped at \$3,000 and provide analysis, projected savings and recommendations. Eligible applicants are existing businesses with operations in Bristol, new businesses looking for opportunity in Bristol and residents of Bristol.

FUNDING PARAMETERS

With limited program funding, no individual grant award may exceed \$3,000. Grant Applications must include a description of energy operation/cost reduction needs and may include quotations for work. Three (3) quotations are preferred, but not required.

PROGRAM ELIGIBILITY

Businesses with operations in Bristol in good standing with the City of Bristol and with the payment of local taxes, businesses evaluating Bristol to relocate, and residents of Bristol.

APPROVAL PROCESS

All applications for funding will be reviewed by the Energy Commission. If you need assistance completing the application process or if you have any questions, please contact the **Energy Commission** at: EnergyCommission@bristolct.gov.
